COVID-19 REQUIREMENTS

Please note: The COVID-19 pandemic has changed how we meet and gather. Victoria University is committed to providing space that conforms to health, safety and capacity regulations set by our various levels of government and the University of Toronto. Your booking will need to conform to the current requirements in place on the date of your event.

Your organization will be responsible for providing a full attendee list including names and contact information to your coordinator, prior to having access to your booked space. A designated person from your organization will need to be stationed at the main entrance of the booked space to manage access and only attendees on that list can be admitted. This designate is responsible for acquiring the names and phone numbers of attendees of guests for contact tracing purposes.

If you cannot provide a representative to supervise the entry and exit of attendees, we will supply security for you and will be charged at your expense. For the purpose of contact tracing for all events, Events Victoria will refer to the *Government of Ontario* regulations.
